

NEWSLETTER August 10, 2020

Editorial – Allen Grizzard-Paul

Check out our revised website <https://kiwanisclubofcamarillo.com/> Bob has made a lot of improvements. Thanks Bob.

At last week's meeting we were joined by Key Club Div.42 Lt. Governor, Rafael Apodacs, D42W Photographer and Rio Mesa member, Kaitlyn Schettler, and Rancho Campana KIWIN'S President, Naomi Zhang. They reported that there is not too much going on at the moment due to social distancing but they are still working on what service events that are still available. One of these is Charity Miles. They had a competition which totaled 770 miles with the winner clocking 164 miles. This is a great example of how we can still provide service during these difficult times. If you want to give it a try, go to www.charitymiles.org and download the App. Linda has signed up and last month she raised \$53 for the March of Dimes by completing 212 miles. She has even got Bob out there walking. I finally got signed up today. Don't forget you have someone sponsoring you so, unless you want to sponsor yourself, it shouldn't cost you a dime. Unless you are like me and have got out an but new walking shoes.

Report on the potential golf tournament. Doug received feedback from Ryan Tape who belongs to a golfing group. Unfortunately, they were not overly enthusiastic which may make it difficult to be able to sign up 72 players in time for an October event. If we still plan to go ahead, we may have to try this at a later date and at a different venue.

Doug reported that he spoke with Bud and found out that he is planning to sell his house and move in with his daughter in Somis.

For those that missed it, this week's trivia from Doug was: **In which World City does it take 4 years for a person to get a Cab/Taxi Drivers License?**

Elections

We have a chance to do some great service and earn some money for our administrative or Foundation Account. Something we really need after this difficult year. They need people to man collection locations for mail in ballots on Saturday September 31, Sunday November 1, and Monday November 2, from 10 am to 6 pm. Also, on the actual election day, November 3 from 7 am to 8 pm. As far as I know, if we are only accepting mail in ballots this only requires the check for signature and insert them into a bag. This would require no more than two people per shift. Once I have more information, I will pass it on.

Governors Visit

If you are ready for a good night out, then join President Doug and his First Lady Barbara at the Moorpark Country Club, where you will dine out on the covered patio overlooking the golf course. It will be on August 22 starting at 4:30 pm. The cost is \$30 per person which covers the meal, refreshments, including wine, and a ticket that may win you a great door prize. This event will be the official visit from our CalNevHa Governor and the Installation of our Lt. Governor, Debbie. Please let Doug or myself know if you are planning to attend. See below for more information:

Hello Division 42

Just touching base to remind our clubs about the upcoming response date for Governor Tim's visit on August 22nd.

As this is an individually plated dinner, and not a buffet, **we will need numbers by the 12th**. If you need to add a few a little later we can do that, we just can't reduce after the 14th.

We will be serving a **Chicken Marsala & Beef in Red Wine Reduction** dinner, so if you have any vegetarians, please let us know.

The Country Club is **compliant with current guidelines** and we will do all we can to make everyone feel comfortable.

Please let your members know that they will be responsible for the costs even if they choose not to attend at the last minute, since it is being prepaid based on reservations.

This will be the Governor's only in person visit and he is very excited.

Senior Nutrition Program

Delivery schedule: I will cover Aug 17th, Doug and bob will cover the 24th & 31st. If anyone else would like to help out with the load, it is very safe as we keep our social distancing with the customers, wear gloves and masks at all times. I will gladly go with you on the first run if that would make you more comfortable.

District Convention August 14

I have attached a schedule for the zoom training for next Saturday. Still waiting to receive the actual Zoom Links for each Zoom Room. I will send out the information as soon as I receive it. Please let me know if you are planning to join any of the training sessions so that I can coordinate participants to cover as many of the different training sessions as possible.

Although it will be great to be on the zoom so that you can ask question, all workshops will be recorded and a link provided in the week following VEC., so you will have the opportunity for access those you miss.

The answer to Doug' trivia is London, as every Taxi Driver is required to memorize every street and pass an exam that requires them to give the direction for a number of destinations. Not an easy task with all the roundabouts and one-way systems. Not sure if this is still the case now that we all have access to GPS, although when I was in Rome a policeman said that GPS system do not work in that city.
