Last Week’s Events

Yea! We had 9 members and 3 gusts at last weeks meeting. Merrill Birge and Lauren Delatorre gave us an excellent presentation on “Save Our Skies”. Although the Airport has been there for many years, (It was originally an Airforce base), The major concern is the growth of Jets that are projected to be using Camarillo Airport in the future. Currently there is 100 local operation jet landings and 7,582 itinerant jet landings a year which is about 9.5% of the total operations but the forecast shows that by 1942, there will be 180 local and 23,318 jets using the airport during the year which will be around 22% of the total operations. If you live anywhere near the flight path the increase in noise will be more than doubled. There will be presentation’s at the City Council meeting this Wednesday which will be held at Camarillo Library 6:00 pm. If you are interested in hearing more about the future of the Airport please attend.

Celebration of Life for Mary

Thanks to everyone who joined us for Mary's Celebration of Life. It was wonderful to see so many friends, relatives, VIP soccer and basketball players, and of course Kiwanians, including Lt. Governor, Rodney and TinaMarie from Oxnard Club. Wait a minute Debbie does that qualify for an interclub? It turned out to be a great tribute to a wonderful lady and hopefully enough fun to meet Mary's request to just have a party. Although she is sadly missed, I believe she has passed on a legacy of giving service while having fun. Maybe that should be a new Kiwanis slogan. If anyone took pictures at this event, can you please send them to me as I got a little tied up and forgot to take any.

Yep! It was a fun party. Linda with Mary's Granddaughter, Lauren

Golf Tournament – Friday May 3

Don't forget to keep an eye open for sponsors. If we get a sponsor, we will raise some money for our foundation.
