Last Week's Events

Last week we were back down to 7 members at our weekly meeting. This week we have our board meeting on zoom starting at 4:30 pm.

The Builders Club have two events on the go. They are collecting old towels, sponges and washing-up liquid to donate to the Animal Shelter. On Wednesday, May 22, they will bring them to the Animal Shelter where they will also be given a tour of the facility.

The Builders Club has also been working on a Fundraiser for the KEY CLUB project Spring Forward with UNICEF. May is Zambia Month – and is dedicated to raising awareness and funds to help young children in the southern African nation of Zambia. Their fundraiser is called the Battle of the Coins, and they have raised \$426.54. Then they started making poster and thank you card to give to all the teachers who participated in their class rooms.

Raised for Start Strong:					

Not to sure about the rules but it struck me as odd that Mr. Mathews Class raised the most money but only came in 5th place on the points system. But the grand total of \$26.54 was fantastic. The kids in Zambia are really the winners. Thank you, Builders Club, you are the best.

On Thursday, Linda and I represented our club at the DCM. This was hosted by Moorpark Club and, as usual, the food was good, and the guest speaker this month was Janise Parker, County Supervisor for Moorpark and Simi area. Not only did she give us an insight of what a supervisor does (very busy woman), she also through in some great trivia about Ventura and Santa Barbar Counties. I was surprised to find out that we were once all part of Santa Barbara County. Doug would have had a field day with this trivia. I wish I could remember all the questions. I think I only got a couple right.
