It will leave from Cal Lutheran Oxnard Campus at The Palms 4:00pm. The cost is \$100 for Tickets and Transport. You can bring your own snacks and drink but no coffee. This is also a District Fundraiser for Children's Fund. Tickets are still available.

Contact Rodney E. Medina (805) 535-8154 rodney@themediaprofessionals.com for tickets.

Wednesday, September 25, 4:45 pm – City Council Meeting where all the service clubs in Camarillo will receive a Proclamation as September is National Service Month. Hope some members can make this to show that Kiwanis is still out there in the community. Please arrive at 4:45 in time for the photo shoot.

Friday October 25: - Club Installation Dinner at the Sportsman. The menu is the same as last year - Choice of Steak, Chicken or Fish, salad (see attached flyer). Unfortunate, like everything else, the cost has gone up again and, to cover the cost of guest's meals, the price will be \$52 per person. **Please let Linda or me know if you are planning to attend. Linda and Pat will be causing havoc in Ireland just before that date so she would like to have things in order before she start partaking of the Guinness.**

Sunday, October 27, Noon to 4:00 pm – Adolfo Camarillo's Birthday Party at the Ranch House. We will have another information booth at this event.

Thursday, November 14, 5:30 pm – DCM probably at Cal. Lutheran U, Oxnard Center. We will be the host club for this DCM so we will be providing the food. We also need to look for a good program.

Saturday, November 16th, 9:00 am to 3:00 pm – Food Drive at the Grocery Outlet in Camarillo

Last Week's Event

Last Tuesday was our board meeting so there was no club meeting. Saturday was a busy day for some of our members. Peter was our sole representative at the Governors visit and Lt. Governor Installation. We should find out our that went at our Tuesday meeting. Also on Saturday, Linda was honored by the Pleasant Valley Historical Society as a DOÑA. Linda has been involved with Kiwanis since a very early age as her mom and dad were both Kiwanians. In fact, dad George Thayer was one of our founding members 58 years ago. This is an award well earned as those that know Linda well, knows she is a Volunteerholic (ok so there no such word but you know what I mean). After losing husband, Bob, to COVID, she took over his position as treasurer and if something needs to be done, she is always the first to step up. We are very lucky to have her as a member.

Linda with some of her supporter's club and, of course, no notes needed for her acceptance speech, didn't really need the mic. They even served cake on a stick – the only way to eat it – British style.

Service Leadership Program

Rio Mesa Key Club has just held their "Club Rush" where, over two days they advertise their Key Club and get students to sign-up. Well, they had 175 members sign-up and they hope to retain a good number of these throughout the year.

Allen,

On behalf of the kidSTREAM team, you're invited to join us on Saturday, September 28th from 10AM - 2PM in the future outdoor exhibit space at kidSTREAM Children's museum for our Worldwide Day of Play event!

This day is dedicated to experiencing joyful learning through play, and focuses on getting kids and their caregivers up, out, and playing. kidSTREAM will be participating alongside more than 100 children's museums globally. This will also be an opportunity to get a glimpse into our planned exhibits and programs, and to give us feedback as we near construction on a destination worthy, hands-on resource. Mark your calendars and share this exciting event with a friend!

[Learn More About the Event](#)

As we continue to make progress towards breaking ground on construction, we love spending time with the community at events like these to provide a glimpse into how engaging and important hands-on play is while also sharing more and hearing your feedback as we prepare to build something that will transform the lives of children for generations to come!

Warm regards,

Michael Shanklin
